

YOUTH ACHIEVEMENT IN TECHNOLOGY

Y.A.T. Program! Youth Achievement in Technology

The flagship youth development program for E3! This community based program provides youth between the ages of 11 and 16 with a unique method for recognizing their talents and aligning them with the best opportunities for future academic and professional success!

- Exciting activities to help identify their interests and skills
- Individual and group projects to build social and leadership skills
- Introduction to wide variety of career choices and entrepreneurial options
- Health and nutrition education and wellness activities with certified personal trainers
- Opportunity to meet and interact with athletes, celebrities, and community leaders
- Community based quality summer fun in a safe and positive environment

The Youth Achievement in Technology program is a life changing experience for youth. The program has been used by PAL, Boys & Girls Club of America and the YMCA and is now here in Jacksonville! Meals are provided and after care is optional.

Each session runs daily from 8am—4pm and includes a fitness component facilitated by DEEN Wellness Center and special activities provided by E3 entrepreneurs.
